

AGENDA

Multi-Agency Risk Management Meeting

Date	
Time	
Location	

This meeting is being held under the umbrella of the 4LSAB Multi-Agency Risk Management Framework. This process has been endorsed by the partner agencies of all the Local Safeguarding Adults Boards in Hampshire, Isle of Wight, Portsmouth and Southampton and has been incorporated into each agency’s standard operating procedures. For more information, please refer to the [4LSAB Multi-Agency Risk Management Framework](#)

Timely and appropriate information sharing is at the core of this process and professionals need to refer both to the [4LSAB Information Sharing Framework](#) as well as their own agency’s information governance policies and guidance.

There may be occasions when there are differing perspectives and judgements amongst professionals. When disagreements cannot be resolved, professionals should refer to the [4LSAB Escalation Protocol](#).

The 6 Principles of adult safeguarding should be promoted throughout the Multi-Agency Risk Management Process by all participants irrespective of which agency is leading and coordinating the process.

All information shared at this meeting is confidential and privileged and is not shared outside of this meeting without the permission of the chair and the agency that provided the information.
